

Roman Krzmarzick

Mechanical Engineering Major

Bettendorf, Iowa · romankrzmarzick@gmail.com

github.com/romankrzmarzick · linkedin.com/in/roman-krzmarzick-969500424

EDUCATION

St. Ambrose University

Expected 2030

B.S. Mechanical Engineering · Davenport, Iowa

- Freshman, Fall 2026 – present.

Pleasant Valley High School

Graduated 2025

Bettendorf, Iowa

- 3.6 GPA.

WORK EXPERIENCE

Soccer Referee

2023 – 2025, 2026 – Present

US Soccer (USSF) · Quad Cities, IA

- Officiated youth matches with a referee crew over 3 seasons — enforced rules in real time and managed disputes with coaches and parents on the sideline.
- Paused for a year abroad; resumed on returning home.

PROJECTS · [GITHUB.COM/ROMANKRZMARZICK](https://github.com/romankrzmarzick)

RPS Shoot

Python

- Built a Rock-Paper-Scissors-Lizard-Spock card game with 4 AI opponents, from a random baseline up to a 2nd-order Markov chain that predicts the player's next move from their last two.
- Wrote one shared game engine that drives both a graphical version and a terminal version.

2D Platformer Game

Python

- Built a platformer with 6 movement mechanics (run, jump, crouch, dash, wall climb, wall jump) and a timer system that makes the controls feel responsive.
- Rendered at 320x180 and scaled 5x for a pixel-art look.

Tic-tac-toe

Python

- Built a tic-tac-toe game with 2 computer opponents; the harder one follows a 5-step priority (win, block, center, corner, random).
- Designed the board to scale from 3x3 to 5x5 or 7x7 by changing one constant.

EXTRACURRICULARS

Men's Soccer

Fall 2026 – Present

St. Ambrose University

- Train and compete with the team while carrying a full engineering course load.

SKILLS

CAD: SolidWorks

Programming: Python

Tools: Git & GitHub
